“Every man, woman, and child with a disability now can pass through the once closed doors into a bright new era of freedom, independence, and equality (President George Bush, July 26, 1990).”

Join with hundreds of Kentuckians with disabilities, family members and advocates from across the Commonwealth to celebrate the 21st anniversary of the enactment of the ADA (July 26, 1990). Come be visible, vocal, and vigilant to protect our rights! We must ensure that all programs and services are accessible to and usable by Kentuckians with disabilities.

*Please call for Alternative Format
